

# INTERNATIONAL STUDY VISIT

GENEVA, SWITZERLAND  
29 NOV-1 DEC 2023

## DESCRIPTION

The international study visit to Geneva organized by EucA provides an educational and enriching experience on an international level for medical, health and pharmaceutical students.

As Geneva has become a global hub for addressing health and international cooperation issues, the study visit is an excellent opportunity to interact with health organizations, meet experts in the field, and experience first-hand the international medical action atmosphere.

## TARGET STUDENTS

Students enrolled in bachelor's or master's degree programs in medicine, healthcare, and pharmacy from EucA members and partners.

Maximum group size is 25 students.

## LEARNING OUTCOMES

Students will be able to:

- analyze the work of relevant international organizations, NGOs, and private companies active in the healthcare sector by participating in guided tours and actively engaging with healthcare professionals through questions.
- develop a better understanding of Swiss culture and reality through an economic, sociological and historical perspective of a foreign country.

# AGENDA
