

Lavazza Marketing Internship

Lavazza, founded in Turin in 1895, has been owned by the Lavazza family for four generations. As one of the world's most important coffee roasters, the Group reported in 2021 revenues of EUR 2.3 billion and now operates in more than 140 countries through its subsidiaries and distributors, with 70% of revenues generated abroad and a total of over 4,200 employees.

Working at Lavazza means being part of a family that shares the same values and a great passion: bringing Italian beauty and culture to the world through coffee and its characteristic sociality.

Our Marketing Department takes care of every aspect of this goal for all Lavazza Group brands and above all the countries.
