BROCHURE

UMANA®

Umana is a "generalist" **Employment Agency**, authorized by the Italian Labour Ministry with 141 branches throughout the country and 1,400 people dedicated to employment services.

Since 1998 Umana **has provided constantly evolving HR services through an organic system of customized and effective solutions:** temporary staffing, permanent staffing – staff leasing (also in apprenticeship), personnel recruitment and selection, outplacement, training and high-level training, Active Labor Market Policies, orientation.

Through the "Orientation Area", active since the foundation of the Group, Umana collaborates throughout Italy with over 700 high schools and with more than 60 universities, maintaining partnership relationships with over 30 ITS. In the last four years more than 1800 orientation events, reaching over 55,000 students have been organised.

*"We believe in the value of the meeting
between people who share a project.*

*We support young people looking for a job by enhancing their skills,
strengthening their motivations, trying to meet their expectations.*

We believe in their future, in their choices, in their creativity.

*For us, work is a value, because it is through work that companies and
people grow, and grow together."*

intellera
consulting

Intellera Consulting originated with the management buyout of the PwC Public Sector branch offers **strategic consultancy services to foster the digital and cultural transformation** of its clients and is leader in **Public Administration and Healthcare sectors**.

By combining the extensive experience and established legacy as a former component of the Big Four with the innovation and transformative culture of a smaller consulting firm that is rapidly expanding, Intellera provides junior consultants a unique environment for professional growth and true ownership over tasks from day one.

 **FINCONS**
GROUP

Fincons Group is an award-winning IT business consultancy with almost 40 years of experience in **IT Business Consulting and System Integration** active in different industries including Transportation, Financial Services, Media, Energy & Utilities, Manufacturing, Public Administration and International Institutions.
